Department I – Adult

Department IY – Youth

General Rules

- 1. Variety must be listed on all hang tags.** (Example: Name from seed packet or if home saved seed, name known to exhibitor). It helps judge maturity.
- 2. Entries must be shown in the quantity, length and diameter required or no placing will be given.**
- 3. Three entries will be accepted for each exhibitor number in each class. Each entry must be a different variety within the class** (Example: Peppers, any variety: hot or chili, ripe 3 – Entry #1 Jalapeno, Entry #2 Scotch Bonnet, Entry #3 Thai Dragon).
4. Each entry must be in place by 9 PM Wednesday. Entries must be picked up on Sunday by 5:30 PM or they will be discarded.
5. After judging, a replacement entry may be substituted for display if the original entry is not withstanding the heat.
6. Vegetables should be brushed clean or wiped not scrubbed with damp cloth, free of disease and insects and uniform in shape, color, size, and degree of maturity.
7. Dry onions, garlic, and shallots should be selected 7-10 days before exhibiting date. They should be wiped clean of dirt, air dried with outer shell left on. Do not skin down to the inner layer. Leave 2-3 inch tops. Trim roots close to bulb.
8. Cucumbers, tomatoes, peppers, peas, beans, and eggplant should have stem left on. No more than ½ inch. Measure accurately.
9. Root crops (beets, carrots, turnips, parsnips, mangelwurtzel) should be trimmed to 2-3 inch of green tops and 1 ½ inch roots.
10. Cabbage, cauliflower, broccoli, and kohlrabi should have roots removed entirely. Trim outer leaves on cabbage, cauliflower, and broccoli which would be removed before eating. Trim stem close to head on cabbage and cauliflower, 3” stem for broccoli and kohlrabi.
11. Leek roots trimmed to 1 ½ inches. Green tops trimmed 4 inches above top of white stem.
12. All squash and pumpkins should have stems attached, no leaves and any dried blossoms removed.
13. Brussel sprouts should have 1 stalk with sprouts attached, top most leaves left on and all other leaves removed, stems cut off below lowest sprout.
14. Fruit: Small soft berries will be displayed in a traditional berry basket. Bring your entries in a personal container and they will be transferred to a berry basket, provided. If you have any questions concerning displaying of fruits other than listed in the General Rules, contact one of the superintendents for directions.
15. Herbs: Culinary Herbs – Use stems or plants not flowering or going to seed (except dill and lavender). Stems below last leaves must be at least 3 inches long. Wrap stem end with wet paper towel or cloth and secure in a plastic bag. Medicinal Herbs-Display herb at stage of growth required for use.
16. Leafy Greens, celery, swiss chard and lettuces should have attached roots wrapped in wet paper towel or cloth with plastic covering.
17. Market Basket: Seven (7) or more different fruits, vegetables or herbs displayed in a basket large enough to contain 100% of exhibit w/o overflowing onto the display table. Entry must contain at least four (4) different vegetables. All horticulture must be grown by exhibitor. Polish may not be used on any item. Entries will be judged on overall arrangement, maturity, and healthy appearance of produce and creativity of display.
18. Mini Garden: Small scale garden in soil in a container of exhibitor’s choice, not larger than 15” in any direction. Garden must contain at least three (3) different herb or vegetable plants, one of which must be a vegetable. Flowers may be used, but do not count as required plant. All plants must be grown by the exhibitor. If container is not waterproof, line with plastic or provide a suitable tray or saucer underneath. Mini Gardens will be watered, as needed, by Fair staff but the Fair is not responsible for loss of any plants. Entries will be judged on overall appearance of garden, healthy condition of the plants and creativity of display.
