

DEPARTMENT N – NEEDLE ARTS – OPEN CLASS

Superintendents: Shaun Mideke
Department N – Adult
Department NY – Youth
Department NSP – Special Needs Persons

1. Items must have been completed since last fair using fabric, thread or yarn. Glued items should be entered in crafts.
2. Check to see that items you are entering are **clean, pressed, threads clipped, blocked**, etc. Be careful of pet hair! Any item in any division showing obvious wear will NOT be accepted.
3. Points allowed are listed for each division.
4. **Exhibitors may make only one entry in each class. No duplicate items.** The “other” classes are only to be used for items not listed.
5. Fairs are about education so **we want your stories**. Why did you choose the material you used? How did you come up with the design? Did anything happen during the construction that posed a problem? How did you solve it? **Stories are required for Oops! Disaster Struck, My Buddy and Me and Repurposed.**
6. People do ask for patterns, directions and type of yarn used. We invite you to include a yarn wrapper and/or your pattern source if you choose to share.
7. There are three cross-department awards. Eligibility for the Beth O’Neill Murphy Award: a blue ribbon in knitting in both Clothing and Needle Arts.
8. We want to hang framed pictures on our pegboard for safety. Please make it possible for us to hang your framed work.
